***Examiner's Comment***

2. Additionally, please note the indication that new drawings are needed in the previous Notice of Allowability (PTO-37), dated November 4, 2005, was in error since applicant had previously submitted new drawing sheets including the necessary changes in the amendment dated June 3, 2005. These amended drawings sheets have been approved by the Examiner. Therefore, the supplemental Notice of Allowability attached to this Office Action now correctly reflects that no new drawings are needed.
